PROFILE

Frontend developer with over three years of experience building responsive, user-focused websites with React, JavaScript, HTML, CSS, and WordPress. Now focused on React development at Parijat Infotech after serving as Frontend Team Lead, where I guided the team and upheld quality across client projects. Known for dependable delivery and quickly learning new tools.

EXPERIENCE

Frontend Developer – React | Parijat Infotech Pvt. Ltd.

Sep 2026 – Present

- Build and maintain responsive, component-based web interfaces with React, JavaScript, HTML, and CSS.
- Develop reusable React components and interactive features for client projects.
- Draw on team lead experience to support code quality and collaborate with designers.

Team Lead – Frontend Development | Parijat Infotech Pvt. Ltd.

May 2025 – Aug 2026

- Led the frontend team, planning daily tasks and reviewing work to keep quality consistent across projects.
- Mentored team members on frontend and WordPress best practices, keeping delivery on track.
- Built responsive, cross-browser interfaces and customized WordPress websites and themes for clients.
- Bridged design and development, turning designs into polished pages and resolving issues early.

Frontend Developer | Parijat Infotech Pvt. Ltd.

May 2023 – May 2025

- Built responsive, cross-browser interfaces with HTML, CSS, JavaScript, and reusable React components.
- Developed and customized WordPress websites and themes to match client designs and functional needs.
- Earned promotion to Team Lead within two years in recognition of consistent performance, reliability, and quality of work.

Content Management Intern | Ultimodeal Pvt. Ltd.

2018

- Managed WordPress website content and trained junior interns on content workflows.

PROJECTS

Online Consultancy Website | Academic Project

- Built a dynamic consultancy website with an HTML/CSS/JavaScript frontend and a PHP/MySQL backend.
